Nagua Consulting is a business specialising in Counselling and Family Therapy. Sometimes, we can be held back in our lives by limiting beliefs, conflict and alignments to values and legacies that no longer serve us. Nagua Consulting can assist to give you a new set of lenses with which to view your world. In doing so, your new perspective can clear the way to resolve conflict, understand dynamics within your family and assist to create harmony in your life. Individuals, couples and families welcome. After hours appointments also available.

Businesses have individual opening days and times which may vary seasonally. Please phone or visit their website for details.

Koonwarra Village School

26 Koala Drive Koonwarra

T: 0409 172 812 E: admin@koonwarravillageschool.org

Koonwarra Village School is the newest primary school in South Gippsland, opening February 2012. Housed on the former Koonwarra Primary School site, it is the only school in the region offering an alternative model of education. Using the VELS curriculum as a guide we also have a special emphasis on social and emotional intelligence, freedom and responsibility and environmental sustainability.

Visitors are welcome by appointment.

KOONWARRA FARMER'S MARKET

Memorial Park and Hall, Koala Drive, Koonwarra

First Saturday every month throughout the year, 8am - 12.30pm.

Enquiries: Market Manager Rod Faudell M. 0408 619 182.

This popular Market is for those seeking country pleasures and real fresh flavours. Here is the opportunity to find out how local organic and chemical free food is grown and made into quality speciality food. The Market is operated and presented by a select group of 40 growers and food producers of the South Gippsland region.

Come rain, hail or shine we will be there.
